REPLY TO COMMUNICATION OF AUGUST 24, 2004

In reply to the Communication of August 24, 2004, Applicants submit herewith preliminary remarks and a corrected amendment of the claims as now pending in this patent application. In particular, the preliminary remarks submitted with the request for continuing examination (RCE) mailed June 21, 2004 improperly failed to reflect that the amendment mailed May 28, 2004 had not been entered by the Examiner in the Advisory Action mailed June 10, 2004. The amended claims submitted with the preliminary remarks accompanying this reply have now been corrected to reflect that claims 1, 14, 15, 30 and 37 are currently amended.

We submit that this application is now in condition for substantive consideration. Early allowance is solicited.
